Christmas at Manar

Join us at Manar for an evening of creativity, relaxation and fun as we create a luxurious and beautiful wreath to hang on your door this Christmas. After learning the basics of wreath making, we will decorate with silk and velvet ribbons, berries, cones and other festive decoration.

As we make our wreaths, the wood fired pizza oven will be heating up, and you will be sipping on some mulled wine. Celebrating our gorgeous wreaths, we will end the evening with fizz and pizza.

Weather permitting we will be al fresco, and enjoying the beautiful surroundings and views from our luxury terrace. In line with our passion for sustainability and mindfulness, our wreaths will be made using natural mechanics, no single use plastics, and adorned with naturally hand dyed silk and velvet ribbons.

Perfect for getting together with friends, family or colleagues, this will be an evening to remember.

We are open to group bookings, get in touch with us for more information.
