WELCOME

Firstly, congratulations on your engagement and your upcoming wedding! I'm honoured that you are considering using my services for your big day.

Flowers are such an important element of your wedding day and represent your character and style. For many years to come, your wedding photos will bring back sweet memories. Your beautiful bridal bouquet, tiny flower crowns nestled upon small heads, boutonnieres on lapels and in the background of your first dance as a married couple; your flowers will be there. Their scent, how they felt in your hands as you walked down the aisle and how they moved in the breeze as you walked outside for your first photographs together as a married couple.

Sakura was born to make days like yours happen. The personal and totally bespoke nature of the work is my driving force, and I am lucky to have worked with so many lovely clients over the years to help create their perfect days.

Over the past 10 years I have been refining and perfecting my style. I find inspiration in light, movement and all the colours of nature. The arrangements I enjoy making are lush and bountiful with plenty of movement and life. I carefully select the highest quality flowers to use in my displays, and my decisions are made consciously and sustainably.

THE PROCESS

AN INITIAL CHAT	A PROPOSAL	LET'S SET THE DATE	CHECK UPS	3 MONTHS TO GO	FINAL ORDER
<p>We get together for a cuppa or a telephone chat if you live elsewhere. Here we'll get to know a little bit about each other and chat all things Wedding. It's very informal, just a chat so that we can get an overall feel for your wedding flowers.</p>	<p>I will create a proposal for you which will include a breakdown of costs for arrangements and services you're thinking of including for your day.</p>	<p>Once you have looked over the proposal and are happy to go ahead, a deposit secures your date and you will receive a letter to confirm that Sakura will provide your wedding flowers!</p>	<p>Between securing your date, and the big day itself there is plenty of opportunity to meet up or call with any updates to your flower order. This may include a venue visit where we can go over the design and placements of flowers at your wedding venue.</p>	<p>Here we will meet for the final time before your big day and go through everything with a fine tooth comb. Making sure we have all the little details necessary to achieve your perfect day.</p>	<p>Armed with every detail, I will create a final proposal and wedding order for you to approve. Everything is now in place and you can relax and look forward to seeing your flowers on your big day!</p>

KIND WORDS

I have been lucky enough to work with some amazing clients.

“Working with Sakura Florist for our wedding was just a dream come true. I had a vision, but from a distance, in London. So meeting up time was limited. Lorna understood exactly what we wanted, even though I didn’t! Lorna was fantastic to communicate with, flexible, helpful, friendly, reliable and just absolutely amazing. I changed my mind, a number of times and she smiled through the pain of a potential bridezilla! My bouquet was stunning and so were out decorations and centre pieces. Lorna was a welcome addition to the morning of our wedding and was just lovely lovely lovely. Also so reasonably and fairly priced, especially seeing as she’s the best you’ll find. If you get Sakura Florist - you’re lucky!”

“Where can I start with Lorna from Sakura? Wow!!! She was an absolute delight to work with for our big day and I couldn't have been happier with how our flowers turned out for our wedding. I shown Lorna a couple of pictures for ideas and she helped me come up with the rest! Her service and friendliness is second to none. Nothing was too much of a bother and I could always ask her anything. She went out of her way to make our day as stress free as possible, dropping off flowers to multiple venues too which was a great help. Highly recommend, service was fabulous & very reasonably priced too. Thanks so much again :)”

KIND WORDS

“Lorna was an absolute dream to work with, she understood my concept from the get go and did not disappoint. Lorna provided my bridal bouquet, 2 x Bridesmaid's bouquets, 2 x ladies lapel flowers, 3 x gents boutonnieres, flowers for our cake and flowers in jars and gin bottles for my venue. The bouquets were absolutely stunning, lots of fresh, bright flowers including my favourites - sunflowers. She even added a little quirk by tying my bouquet with some leopard print ribbon, I was absolutely delighted. The flowers in the venue looked amazing and everyone commented on how beautiful they were. I cannot recommend Lorna enough, she truly is a lovely lady who enjoys what she does - this is reflected in her work. So happy with the flowers on my wedding day and I can't thank her enough xxx”

Gillian and Callum

"Lorna, what a talented and creative lady. She very quickly got a sense of the rustic style I wanted and ran with it - the end result was beautiful. I loved my bouquet. She also did buttonholes for the men in a similar style and they were all happy with them, a few commented they were the best they had ever had. Furthermore, she did smaller bouquets for the bridesmaids and provided me with flowers for me to put in jars for the tables. It all tied together so well. There were a few changes in the run up to the day but Lorna was totally flexible. Can't recommend enough. Thank you! x”
